Vale Royal Disability Services
Registered Charity No. 1016249

VALE ROYAL SHOPMOBILITY SERVICE

This service exists to enhance the lives of disabled people in Vale Royal Borough, by giving independence and choices to the individual, by providing equipment to enable them to shop and carry out their business activities in the town centres of Northwich and Winsford.

The Vale Royal Shopmobility service provides a selection of Manual and Powered Wheelchairs, Handy Walkers and Scooters to anyone of any age group that has problems with walking.

There will always be a member of staff on hand to welcome new service users and give full instruction on how to use the mobility equipment if necessary. There is also a practice area to allow familiarisation with the use of the mobility equipment.

All users are required to register with the service. Evidence of identity (e.g. driving licence, passport or a recent utility bill) and two passport-sized photographs are needed to complete the application form. The joining fee is £10.00 and registration covers a period from 1st April to 31st March.

The mobility equipment will be then available on loan free of charge to all registered users for up to three hours a day during business hours. It is important to book Shopmobility equipment in advance by telephone or in person, as the equipment is available on a first come, first served basis.
